

**Date: 28/10/2014**

Raids were conducted on seven Job Consultancy Firms by CCB F&M squad and a big FAKE job experience/fake project experience/fake training certificates scam was unearthed. It was discovered that each Job Consultancy Firm had registered many companies in whose name they were issuing fake certificates for financial consideration.

For the benefit of the genuine HR companies, we have compiled the list of the companies in whose names certificates were issued and recovered by CCB. This list is being put publicly so that genuine HR companies can check if anyone has approached them with certificates of these companies and if so, then contact the Investigating Officers for necessary corrective steps.
